

Prof. Kwang Ho Kim

Pusan National University

Education

1976. 03 - 1980. 02 B. Department of Metal Engineering, Seoul National University

1980. 03 – 1982. 02 M. Department of Materials Engineering, KAIST

1983. 03 – 1986. 02 Dr. Department of Materials Engineering, KAIST

Professional Background

2008 - 2010 : The Korean Ceramic Society / Vice President

2009 - 2010 : The Korean Institute of Surface and Engineering / President

1985 - 2023 : Pusan National University / Professor

2013 - Present : Global Frontier Hybrid Interface Materials / Research Group Head

2018 - Present : Pusan National University / Distinguished Professor

Publications

591 papers including “Exceeding milli-watt powering magneto-mechano-electric generator for standalone-powered electronics”, Energy & Environmental Science (IF: 33), 1(4) 2018

Medals & Awards

2023. 2. 28 Medal of Distinguished Service -2nd Class “Hwangjo Medal”/ Republic of Korea

2021. 4. 21 Medal of Excellence in Science and Technology – 1st Class “Creation Medal”/ Republic of Korea

2016. 1. 25 Global Star Award/ American Ceramic Society
